Q19 Please identify other top priorities for planning in the Town of Concord:

Answered: 54 Skipped: 114

#	Responses	Date
1	Community meeting place for town activities, sports events, a place for large gatherings, hold kid recreational activities. Town offices just put out money for improvement space. She should have a kitchen area. Hold fundraisers to include some place beside the Concord gym. If the school were to close there is nothing for the town as a meeting place with the proper supervision. A small fee could be made for private Concord resident affairs. You could have bingo, booster club activities, Christmas bazaar.	4/22/2014 5:06 AM
2	A closely managed plan to assist established businesses and promote low impact manufacturing.	4/22/2014 4:58 AM
3	Zoning reform. Established residential. Should be able to add on without zoning restrictions as long as they follow distance from borders.	4/22/2014 4:53 AM
4	Building for use other than school. For use to families for entertainment parties, etc. Small fee for use. Group meetings. Put build-up by Concord dump by recycle shed in spring for a month or more there is a swimming pool.	4/5/2014 10:44 AM
5	The town of East Concord needs to be improved - roads - roads - roads.	4/5/2014 10:37 AM
6	Close high school Clean up route 2 and Main Street properties - especially in village. Many are trashy. This is peoples first impression of Concord and it's not good.	4/5/2014 10:34 AM
7	New fire and rescue building	4/5/2014 10:23 AM
8	Close high school	4/5/2014 10:17 AM
9	There are many child in North Concord and the Oregon Road, but it is dangerous for them to play outside due to the lack of sidewalks and recreational activities. Concord needs a town pool for its residents and /or other family activities that are affordable and in town.	4/5/2014 10:05 AM
10	School and roads need upgrade. Businesses need a way to survive. Increased population will bring more money. Sending grades 9-12 to St. J. for school will make CConcord, VT a much more desirable place to live. The school in Concord is great but it should end at 8th grade so those students have more opportunity in life.	3/31/2014 5:40 AM
11	High speed internet is already available Need to tuition out K-12 Childcare is diminishing in the town. Finding providers that are willing to deal with state licensing is difficult. It could help to add childcare before and after school to help with revenue for the school.	3/31/2014 5:32 AM
12	School Choice	3/31/2014 5:22 AM
13	Focus on the school only being K-8 - giving high school students a choice.	3/31/2014 5:18 AM
14	Website looks very nice! But should have agendas, minutes, etc. of selectboard, school board, etc.	3/30/2014 12:40 PM
15	Keep ATV accessibility	3/30/2014 12:25 PM

17	Keep out high school!!!	3/30/2014 12:13 PM
18	Our children need to have a place to learn where in high school that they can get a higher education, not what our high school can offer. When you see 1 to 3 people getting all the awards at graduation you know our high school is failing the rest of the students. A good K-8 is what we need.	3/27/2014 6:58 PM
19	Promote community pride in being a small, safe, rural community close to larger urban areas	3/27/2014 6:51 PM
20	Working on lowering taxes	3/27/2014 6:46 PM
21	Close school	3/27/2014 6:39 PM

26	Lower property taxes. We get very little value for our hard earned money.	3/26/2014 6:35 PM

29	Maintain current buildings, Adequately compensate town employees and elected officers	3/26/2014 6:16 PM
30	More paved roads Bridge repairs	3/26/2014 5:59 PM
31	Litter control Noise reduction on route 2 by truck traffic East access parking for Bamie's Market Development of riverside park @ ball field Establish marked trails for hiking	3/26/2014 5:52 PM
32	Close the high school - tuition high school students where they will get a good education. Community Center - didn't we already waste enough money on this! Stop blowing taxpayer dollars on the Municipal building. It's a useless joke. More crosswalks on route 2	3/26/2014 5:39 PM
33	Plans to improve the Town of Concord would be easier if the Concord government officials would stop illegal activities that are published in the Caledonian-Record.	3/26/2014 5:23 PM
34	Close high school.	3/26/2014 5:06 PM
35	High school prep classes for college!!	3/24/2014 6:55 PM

39	Close the high school.	3/24/2014 6:06 PM
40	Please consider restarting the ability of property owners to rent to tenants under supervision by department of corrections.	3/24/2014 6:00 PM
41	Keep nature a focus, keep it clean and green. Not Big Box Store on main road where the small town feel is lost. Plenty of off roads to build homes without losing anything.	3/24/2014 5:09 AM
42	Close high school	3/24/2014 4:50 AM
43	Keep it simple	3/24/2014 4:46 AM
44	Meals on Wheels Transportation - either taxi or RCT type Retail shops and food banks	3/23/2014 8:04 PM
45	Lower taxes, encourage growth for businesses! More affordable senior housing, discourage too many low income rental properties - not enough tax revenue to offset kids in school and brings in welfare/drug problems in community.	3/23/2014 7:59 PM
46	Keep nose out of peoples lives.	3/23/2014 7:51 PM
47	Lower taxes - senior citizens have a hard time to keep up with high prices.	3/23/2014 6:54 PM

52	Low crime rate, low drug rate, safety and a place where seniors feel secure.	3/23/2014 7:27 PM
53	Small town values of honest, hardworking people with a real sense of community.	3/23/2014 7:22 PM
54	Stores, a bank, more jobs in this area so people don't have to drive 20 - 30 minutes to work. This is a beautiful town.	3/23/2014 6:54 PM
55	Only North Concord in the Country	3/23/2014 6:48 PM
56	A safe & clean environment. Ideal place for a vacation home, retirement home. Low crime rate to raise a family. Affordable tax rates for school and homes. Our lakes & ponds have clean water with an abundance of fish & wildlife.	3/23/2014 12:23 PM
57	All of the fine people that live in Concord.	3/23/2014 12:16 PM
58	Free of its people without stupid laws controlling use of your own property.	3/23/2014 12:13 PM
59	Attractive and safe place to live.	3/23/2014 11:58 AM
60	S/A	3/23/2014 11:53 AM
61	Concord to become a community for secondary school choice. Concord to become a community free of junk autos and trashed properties. Example - Patridge Road, Ladd Road, Main Street in Concord.	3/23/2014 11:37 AM
62	Small community - rural. No city life.	3/23/2014 11:26 AM
63	Friendliness & Frugality	3/23/2014 11:22 AM
64	A clean, wholesome country town with the needs of both you and old taken into consideration. We have beautiful land here that is being let go by the few trash collectors turning it into an eye sore. This only welcomes the riff-raff element.	3/23/2014 11:16 AM
65	Fairness across the board. Everyone should be taxed equally no matter what part of town they live in. It's time to stop discriminating against those who live on the water! We all chose to live where we do for the things we want - it's a trade off - water or paved roads - view or close to town.	3/23/2014 10:53 AM
66	Not making it so hard and expensive to do what they want with their own property.	3/23/2014 10:40 AM
67	I would like to see the town less focused on the past and much for focused on the future to attract quality educational opportunities, business development, expansion of the tax base and a true community identity that makes Concord a place people want to live.	3/15/2014 5:48 PM
68	It's history from the time it wasn't a town to the time it became known as Concord VT. Do are youth of the town even know how much business was here back in the 18 to 1900's or maybe some of the town people would be interested. Just an idea!	3/14/2014 2:58 PM

1	Unless the present 9-12 grade educational opportunities are improved, your efforts will come to naught. If they are improved a natural growth will occur.	4/22/2014 5:12 AM
2	If you really want people to want to reside in Concord, the first priority should be the school environment. No one wants to hear or confront problems unless they affect them personally. But as a community, problems affecting some affect all. Do you want to change your Concord identity?	4/22/2014 5:06 AM
3	Keep it doable	4/22/2014 4:58 AM
4	You people do nice work. I'm too old to think of things like this! Age 93	4/5/2014 9:58 AM
5	Shadow Lake Road or Cross Road should be paved as it connects Concord to Waterford and provides a shortcut to Lyndonville.	3/31/2014 5:40 AM
6	I think with all the changes coming down the line in education that the town is going to have to make a decision to support the high school fully without tuitioning anyone out or closing. We are not a big enough town to support both. With that being said I fully support our pre-k to 8 program.	3/31/2014 5:32 AM
7	Thank you for the time and effort you put into making Concord a better town to live in.	3/31/2014 5:15 AM
8	Keep an eye on the money handlers	3/30/2014 12:25 PM
9	Keep, save, improve high school!	3/30/2014 12:13 PM
10	I believe one big thing is that we should have a plan to have all the municipal things in town in one big building and stop having all these small buildings tax payers have to pay for.	3/27/2014 7:16 PM
11	Taxes need to be lowered; spending needs to stop. We do not need all the assistance we have in our offices. Give people 40 hours to work. We are not a big town with lots of business to pay for this. What you need? and people are losing their homes for taxes or unable to make payments, there is something wrong.	3/27/2014 6:58 PM
12	Don't become an overdeveloped, trashed community. Development should promote a neat, friendly, safe village and rural countryside.	3/27/2014 6:51 PM
13	Concord website - Like it!!! Thank you.	3/27/2014 5:12 AM
14	Close the high school. A waste of money. Two other good schools available - St. J. Academy & Lyndonville.	3/27/2014 5:05 AM
15	Oregon Road needs work.	3/27/2014 4:56 AM
16	You guys do the best that you can with what our community has to offer for us.	3/26/2014 6:39 PM
17	1. Take a detailed look at energy waste on schools, town buildings, equipment, and target this waste. this should also include commercial and residence. 2. Develop a technical staff (group) to provide the technical assistance in house - to develop assessments of need documents and project development.	3/26/2014 6:30 PM
18	Improve sidewalk in front of post office. Pave street beside post office. Building a larger combo town garage & fire & rescue. Make former fire station area into town parking lot with nice stairway to street level parking for post office and town offices, library, etc.	3/26/2014 6:16 PM
19	More paved roads please, just because you cross the river does not mean you no longer live in town. Second Street is no longer back street.	3/26/2014 5:59 PM
20	Establish a time bank for citizens of Concord to participate in.	3/26/2014 5:52 PM
21	Maybe if the selectboard wasn't a bunch of bullies some people with intelligence and new ideas might run for office. No one wants to work with a bunch of egotistical jerks.	3/26/2014 5:39 PM
22	Small towns like Concord can have appearances improve i.e. Peacham, west Baret	3/24/2014 6:33 PM
23	Don't spend too much money	3/24/2014 6:28 PM
24	There should be an effort to welcome newcomers - whether new homeowners and/or new business. This town has become infamous for its hostility toward newcomers.	3/24/2014 6:00 PM
25	Keep things neat, clean, keeping with the times but respectfully keep the small town feel. Keep our future in the forefront - Children!! Keep them occupied - and creating. Involved!!	3/24/2014 5:09 AM
26	Cleaning up housing, junk vehicles, etc.	3/24/2014 4:57 AM
27	They attached a rope to my property. They put up a shed on my property line. Following up on zoning help. Neighbor ignored information zoning told them. Paul Croteau & Susan Corrow. 198 Cedar Street	3/23/2014 8:04 PM
28	Clean ridgelines, healthy lake and pond, encourage growth long route 2 corridor, regulate signage/lighting. Move town clerk into municipal offices - ridiculous having two offices heated/electric in town for such a small population.	3/23/2014 7:59 PM
29	More considerate of private property rights. Not your pet projects.	3/23/2014 7:51 PM
30	Promote Essex county! We can become a gateway!	3/23/2014 7:48 PM
31	Thank you guys and gals are going in the right direction and with your leadership I have no doubt you will be successful.	3/23/2014 7:22 PM
32	Trails to accommodate hiking, snowmobiles, ATVs, sightseeing. Renovate the town hall to accommodate access to the 2nd floor historical museum.	3/23/2014 12:23 PM
33	A nice place to live and raise your family.	3/23/2014 12:16 PM
34	S/a	3/23/2014 11:53 AM
35	Explore enforcement for issues that you plan to become involved in.	3/23/2014 11:37 AM
36	Let's make Concord a place we can all be proud to call home.	3/23/2014 11:16 AM
37	When do we really own our homes? Stop increasing regulations that limit our use of land. Stop fighting about the schools. Small schools give more personalization to children. Big schools - especially high school - offer more vocational classes - may it's time to propose vocational training, or bus kids for those classes like in past days. Fighting isn't the answer.	3/23/2014 10:53 AM
38	Keep up the good work	3/14/2014 2:58 PM

31	Don't want to be treated bad because of honest opinions. That's the only way ato be open on these surveys. We mean no disrespect, only think we should have more rights with our land and less interference, less people controlling things.	3/23/2014 10:53 AM
